János Bleján	CEO
2 Aquis Innovo Ltd.	www.aquis.hu	ICT	Design and production of ticket vending machines, queue management systems and information terminals (kiosks).	We are searching partners for the import and distribution of our products in the Portuguese market. These customers would be assigned to resell our articles within their distribution networks to Portuguese companies. It is of pivotal importance to find reliable and well established distributors in the target country as beside reselling they will be committed to supply after sales servicing which needs a well organized background from these candidates.	Róbert Frank	Export Manager
3 Kunság-Szesz Zrt.	www.kunsagszesz.hu	Agriculture and food industry	Kunság-Szesz Szeszipari Zrt. has a past of almost 20 years. It was established in 1994 as a family enterprise, and by now it has become one of the biggest distilling plants in Hungary (in Kiskőrös). Our company produces and sells different types of pálinka (brandy), average alcoholic beverages produced with a cold technology, carbonated soft drinks and mineral water. The field of our premium category products includes the Mátyás group involving Mátyás Keserű (bitter) and Mátyás pálinkas. Since 2012 our Mátyás Keserű has had the brand "Excellent Hungarian Food Product". At our site in Kiskőrös in 2013 a high-capacity pálinka distillery – equipped with state-of-the-art technology – was completed.	Spirit	Norbert Nagy	Marketing manager
