ANNOUNCEMENTS

FISCHER CONNECTORS ESTABLISHES NEW PRODUCTION SITE IN PORTUGAL

 SEPTEMBER 2021

The Swiss Group Fischer Connectors held the first stone laying ceremony on September 6th to officially launch the construction of a new production site in Amarante for assembling connectors and cable solutions. It will employ 100 professionals. The new Portuguese connector assembly site is the first of its kind outside Switzerland, thus marking a new era of global expansion for the Fischer Connectors Group's operations.

INDUSTRY HIGHLIGHT

DIGITAL SET TO DRIVE PORTUGAL'S RECOVERY, SAYS GLOBAL FINANCE

Portugal's attractiveness is set to improve in the coming years according to investors' perception. The most attractive target areas for FDI in Portugal are manufacturing, R&D and business services, as well as digital economy and technology.

The digital economy will be one of the main economic drivers in Portugal's growth in the coming years, as indicated by 45% of investors. The key drivers for this are the availability of talent with the right skills and reliable infrastructure.
