What's A&DM Torino?

Over the nine past editions, A&DM Torino has established itself as the only international matchmaking event for the aerospace and defense industry in Italy.

Across 3 days, participating companies have the chance to meet, build up targeted business relations and develop new projects with partners from all over the world.

A&DM Torino connects OEMs and their Tier 1 & 2 suppliers with manufacturers and service providers from both civil and defense aviation, through a series of individually tailored one-to-one meetings.

Event Format

ONE-TO-ONE MEETINGS

A&DM Torino guarantees targeted one-to-one meetings scheduled by BCI Aerospace, leading event organizer for the aerospace industry. It is the perfect business tool for procurement, engineering, commodity and technical teams, as well as for service providers.
